About MANUU

Maulana Azad National Urdu University (MANUU) is a Central University established at National Level in 1998 by an act of Parliament to promote and develop the Urdu language and to impart vocational and technical Education in Urdu medium through conventional and distance modes. The Headquarters of the University is at an outstanding central location - Gachibowli, Hyderabad, sprawled over 200 acres. The students and staff of the University are drawn from throughout India. They are attracted by its commitment to excellence in quality Urdu education in all disciplines of knowledge.

ABOUT DDE, MANUU

Directorate for Distance Education (DDE) has initiated distance education programmes from the year 1998. The DDE has set up 10 Regional Centers, 03 Sub-Regional Centers and 181 Study/Programme Centres across the country.

ABOUT AIAER

<http://www.aiaer.net>

The All India Association for Educational Research (AIAER) addresses itself to the problems of research in education in general but more attention is given to such problems from Indian scenario. Therefore, the membership is open to all those persons who are willing to associate with this goal. We welcome your help, guidance and support.

OBJECTIVES OF AIAER:

To develop and promote educational research
To provide a forum for discussion of problems related to educational research
To conduct workshops, seminars, conferences etc. on educational research;
To disseminate findings on educational research; To publish journals, monographs and other types of literature on educational research;
To co-operate with organizations engaged in educational research;
To carry out all such other activities as may be conducive to the attainment of the above objectives.

On 1st February 2017, AIAER had 4401 members (4297 in India and 104 outside India)

ABOUT IFORE

<http://ifore.in>

The International Forum of Researchers in Education is a no membership fee organization having following mission,

To be a facilitator for the capacity building of researchers in Education, who may not have access to experienced researchers in education. IFORE endeavours to provide a nurturing platform for disadvantaged junior researchers for building research capacity and the dissemination of research findings emanating from culture- and country-specific contexts through interactive digital media (e-journals; e-forums, etc.)

On 1st February 2017, IFORE had 98 founder members from 81 nations and 2 national regions

THEME OF IFORE FOCAL MEETING:

Equity and Excellence in Education

No Registration Fee, No TA/DA

Few participants will be given accommodation based on first-come, first-served (FCFS) basis.
